

Wine Menu

We have attempted to assemble a wine cellar that encompasses a selection of some of the world's well-received wine varietals and wineries. The cellar's selection has been compiled bearing in mind the diversity of labels and wine-making style that exist.

Of particular importance on our list is the emergence of the New World as some of the foremost wine producing region of the world; a generous sampling of their diverse flavours is represented on our list. For each varietal there are some options available from different parts of the world.

Our service team will be delighted to recommend or assist you with your selection. We truly hope you enjoy your wine experience.
